Rope Spiral Desk Lamp

R1195 Incl. Shade

42cm (h) x 22cm (w)

The Spiral Desk Lamp is a sculptural yet functional light, formed from continuous rope into a flowing spiral shape. Its compact size makes it ideal for desks, shelves, and bedside tables.

The included shade softens the light for comfortable reading or ambient use, while the expressive form adds character without overwhelming the space.

Supplied complete with shade.

Rope Knot Table Lamp
